In every era, Catholics have risen up against seemingly insurmountable forces with the Gospel message of love, rooted in the dignity of every human person. We live in a turbulent time. There will always be many reasons for fear. But Christ gives us greater reason for hope. This moment in history marks our great adventure—our road to salvation—if we choose it. Like the saints who have illuminated the path before us, it is our turn to rise up and speak out—not with fear or trepidation but with joy, vigor, and love. It’s our turn to pave a better way forward for our family, neighbor, country and our world.

At CatholicVote, we’re fighting so that the saving mission of the Church can thrive in our country.
OUR MISSION

TO INSPIRE EVERY CATHOLIC IN AMERICA TO LIVE OUT THE TRUTHS OF OUR FAITH IN PUBLIC LIFE.

CatholicVote is a community of patriotic Americans who believe that the timeless truths of the Catholic faith are good for America. That’s why we make it our mission to inspire every Catholic in America to live out the truths of our faith in public life.

Hundreds of thousands of Americans of many faiths (and some of no particular faith) have joined CatholicVote because they believe the mission and vision is compelling and true.

CatholicVote is managed by a core of full-time staff who work in collaboration with a select group of allies and volunteers.

LEADERS

CatholicVote is led by a seasoned group of professionals with deep political, business, and ministry experience.

The LOOP is quickly becoming the most popular source of daily news in the U.S. Catholic world. Many readers turn to the LOOP as their primary source of news. The number of LOOP subscribers doubled in 2020.

Our social media posts allow us to quickly communicate important and relevant news with our followers. Our content is highly engaging and brings in hundreds of new followers each week. In 2020, Instagram more than doubled in followers. We also use videos to educate and to tell interesting stories that connect with our Catholic audience.

The programming team added three associates in 2020: a social media and graphic design manager, a project manager, and a video specialist.

BABIES BORN ALIVE In a video address to the National Catholic Prayer Breakfast, President Trump announced that he will sign a “Born Alive” executive order to require medical care for all children born alive after failed abortion attempts. Trump also said his administration would be “increasing federal funding for neonatal research to ensure that every child has the very best chance to thrive and grow.” READ

LOUISVILLE INVESTIGATION Kentucky Attorney General Daniel Cameron said police officers did not use a “no knock” entry but in fact announced themselves at Breonna Taylor’s apartment when they executed a search warrant in March. “Our investigation found that [officers] Mattingly and Cosgrove were justified in their use of force after having been fired on by Kenneth Walker,” said Attorney General Cameron. Walker was not injured, but his mother was shot. READ

The reason Wisconsin went RED in 2016 was largely due to CatholicVote, they identified large groups of Catholics who had not voted in decades, got them registered and to the poles. The large Catholic population in Wisconsin turned the tide.

VOTER OUTREACH

Mobilizing Catholic Voters.

CatholicVote’s 2020 field program accomplished our goal of building the largest Catholic voter mobilization program ever.

Using advanced digital technology, we identified 2.7 million Catholic voters in seven key states: Arizona, Florida, Michigan, Nebraska (targeting the electoral vote in NE-02), North Carolina, Pennsylvania, and Wisconsin.

Our team of 20 field directors recruited an army of volunteers from parishes in every corner of their respective states. These volunteers, many of whom served as local captains, made live, individual, personal phone calls to Catholics in their states. They also sent peer-to-peer texts, helped with voter registration efforts, hosted calling parties, recruited friends and family to join the effort, and rallied their fellow parishioners to vote in the 2020 elections.
We made 204,795 direct voter contacts (via phone, text, or postcard), and roughly 103,000 unique households contacts (via phone, text, or postcard).

In the Georgia runoffs, we activated our existing volunteer bases in our top three states – Florida, Michigan, and Pennsylvania – to make phone calls to Georgia voters. We made 74,335 live phone calls and sent 126,959 peer-to-peer text messages in about a month. We also had volunteers from around the country hand-write postcards to 13,000 Georgia voters.
2020 was a year of many fundraising accomplishments for CatholicVote in the areas of new revenue, growth in numbers of new monthly and major donors, team growth, and infrastructure improvements.

It was a record year for the mission in terms of total contributions. It was also a year of significant growth in the number of monthly donors and new commitments from benefactors. We also held a successful fundraiser in Florida with a group of local CatholicVote supporters and a number of successful digital donor events.

We added two new staff members to the Development team. We updated our Case for Support ministry marketing brochure and made many systems and vendor upgrades to better facilitate future growth.
MAKING A DIFFERENCE

2021

NEW ADVENTURES

Educating Catholics
In 2021 we will launch a new, comprehensive online learning platform to help Catholics understand the principles of Catholic social teaching and apply them to contemporary policy and political debates.

The LOOP and the Champions Club
Growing the number of LOOP subscribers and monthly donors in 2021 is a major goal.

Legal Advocacy
We are actively involved in a lawsuit that many legal scholars have suggested is the greatest threat to Roe v. Wade.

Catholics on the Ground
We will leverage our 2020 voter mobilization success to create a network of permanent, local chapters of dedicated CatholicVote volunteers.
