Hi (b)(6);

I just had TSgt (b)(6); (b)(3): in my office requesting LGBT Observance removed and changed to Drag Show. She claims she spoke to the FSSS commander. If you like to confirm with her before changing. I will pick up what is printed. I will not need anymore printed material except for an electronic slide with the change so they can print as they wish. I will take the 60 tickets and all printed material. It will work. No more printed material we are fine with what was done.

Good Afternoon

I have attached our posters, FSS Calendar, and screen shots of the Facebook events. I've also attached a screenshot of the video the drag queen sent us to promote the events. The full video is too big for the NIPR server. The images are too big for the server so I am sending this in 2 emails. Also, I'm sure we

also did at least one e-blast but I can't seem to find it in my email. Let me know if you need anything else.
